A man with glasses and a patterned batik shirt is seated on the left side of the panel. He is looking down at a laptop in front of him. A microphone is positioned in front of him.

A man in a patterned batik shirt is seated in the center of the panel. He is looking towards the right side of the frame. A microphone is positioned in front of him.

A woman with dark hair, wearing a patterned batik shirt, is seated to the right of the center. She is looking down at papers on the table. A microphone is positioned in front of her.

A bald man in a black polo shirt is seated on the far right of the panel. He is looking towards the center. A microphone is positioned in front of him.

DESIGN

MENT

Design is not just a
visual language
but a way of thinking

The challenge is to
create a design that
is both functional and
aesthetically pleasing

Design is a process
that involves
collaboration and
communication

Design is a way of
thinking that
allows us to
solve problems

Design is a way of
thinking that
allows us to
solve problems

Design is a way of
thinking that
allows us to
solve problems
