

DISSERTATION

Channel Selection and Robust Classification for Myoelectric Control

Submitted at the Faculty of Computer Science, Vienna University of Technology in
partial fulfillment of the requirements for the degree of Doctor of Technical Sciences

under supervision of

o. Univ. Prof. Dr. techn. Dietmar Dietrich
Institut number: 384
Institute of Computer Technology

and

Ao. Univ. Prof. Dr. techn. Helfrid Maresch
Institute of Biomedical Engineering
Graz University of Technology

and

Dr. Rosemarie Velik
Institut number: 384
Institute of Computer Technology
Vienna University of Technology

Dr. Dietmar Bruckner
Institut number: 384
Institute of Computer Technology
Vienna University of Technology
