

DOC DAYS 2015

22. – 23. APRIL 2015

Graz

Assistant Prof. Dipl.-Ing. Dr. Michael Schnürch

Born: March 8th, 1978

Family status: married, 2 children

Business address: Institute of Applied Synthetic Chemistry Getreidemarkt 9/163-OC A-1060 Vienna

Email michael.schnuerch@tuwien.ac.at

EXPERIENCE

1st Apr. 2014

Assistant Professor, Technical University of Vienna

11th Sept. 2013

Defense of Habilitation

11/2007 -

University Assistant at the Institute of Applied Synthetic Chemistry(IAS) – Vienna

University of Technology in the Mihovilovic researchgroup pursuing Habilitation.

Free co-worker in the research group of Prof. Stanetty at IAS

04-10/2007

Postdoc in the research group of Prof. Dalibor Sames at Columbia University in

2006–2007

the City of New York

June 20th 2005

Graduation to PhD in Organic Chemistry

08 – 11/2003

Research internship at Queens University, Kingston, Ontario, Canada, in the

01/2002

research group of Prof. Victor Snieckus.

11/2001

Start of master thesis under supervision of Prof. Peter Stanetty, Vienna University

03/2001

of Technology, Vienna, Austria entitled: "Synthesis of new 4-(4-pyrimidinyl)thiazoles"

10/1996

Start of academic studies in Technical Chemistry at Vienna University of Technology, Vienna, Austria

AWARDS

2012

Silver medal Inventum (Patent of the year competition of the Austrian Patent Authority)

2012

Thieme Chemistry Journal Award

2009

PRIZE prototype promotion

2006

Erwin Schrödinger fellowship
