## Call and Submission

[Call for Papers](#) (pdf)

## Deadline

Papers are due to [arw@umit.at](mailto:arw@umit.at) on Tuesday, March 1st. (expired)

## Topics

The workshop focuses on current research themes and topics in the field of mobile, medical and industrial robotics. As a result, the workshop is dedicated but not limited to the following topics in robotics:

- Kinematics, Dynamics and Control
- Mechanisms and Mechatronic Design
- Manipulation
- Field Robotics - Rescue Robots and UAV
- Planning and Supervisory Control
- Robot Perception
- Estimation, Diagnosis and Learning
- RoboCup

## Regular and Student Paper

Please indicate the submission type: (a) regular or (b) student-paper.

All submissions will be subject to peer-review by the PC and notification of acceptance will be mailed by April 1st, 2011. Only submissions with at least one author registered as a presenting participant will be included in the workshop proceedings.

## Paper Submission

A LaTeX style template is available [here](#).

An extended abstract (two-pages excl. the references) should be sent in PDF format by e-mail on March 1st, 2011 (expired) to [arw@umit.at](mailto:arw@umit.at).

## Presentation and Proceedings

The proceedings will contain (a) the extended abstract and (b) the slides of the presentation in PDF.

The official language of the workshop will be English. Speakers of regular papers should present their contribution in 20 minutes with additional 5 minutes for discussion.

We require speakers to provide a PDF copy of the presented slides, extended with citations and a bibliography after the workshop to [arw@umit.at](mailto:arw@umit.at). The submission deadline for the slides is June 5th, 2011.

Workshop Proceedings available for download [here](#). ([BibTeX](#))
