# European and International Research Support at TU Wien

Siegfried Huemer

VSS VIENNA young SCIENTISTS  
SYMPOSIUM, TUtheSky

8 June 2018

The **EIRS** is the **contact point** of TU Wien for European and international research projects and offers the following service:

- Providing general information and advice on the EU & international Research Programmes and Technology Initiatives (HORIZON 2020, COST, EUREKA, etc.)
- Providing financial, legal and administrative information and advice during grant application & project implementation
- Drawing up and reviewing EU & international Research Contracts, Consortium Agreements, Subcontracts, NDAs, Lol, etc.

- Organising EU & international information events, workshops and seminars
- Generating and spreading know-how about EU & international project management at the TU Wien
- Statements on the EU Research Programmes and Technology Initiatives to the relevant players
- Participating in bodies beyond TU Wien on current developments in EU & international Research Programmes
- Networking with departments of the EU Commission, national and international research institutions & funding agencies

# EU & international Project Lifecycle

## EIRS Funding Instruments and Opportunities

### a) **The EU Framework Programme for Research and Innovation „Horizon 2020“**

- Excellent science
- Industrial leadership
- Societal challenges
- Horizontal Issues

### b) **Complementary European Research and Technology Initiatives**

- European Cooperation in Science and Technology Networking (COST)
- European Initiative for applied research and development funding (EUREKA)
- Joint Member States and EU Initiatives (ERA-NET Actions, Joint Programming Initiatives Article 185, Joint Technology Initiatives Article 187)
- European Structural and Investment Funds (ESIF, ERDF, ESF etc.)
- Competitiveness of Enterprises and SMEs (COSME)
- Research Fund for Coal and Steel (RFCS)
- European Space Agency (ESA)

### c) **International Research Funding by Third Countries**

I. Excellence Science	II. Industrial Leadership	III. Societal Challenges
I.1. European Research Council (ERC)	II.1.1. Information and Communication Technologies (ICT)	III.1. Health, Demographic Change and Wellbeing
	II.1.2. Nanotechnologies	III.2. Food Security, Sustainable Agriculture and Forestry, Marine and Maritime and Inland Water Research and the Bioeconomy
I.2. Future and Emerging Technologies (FET)	II.1.3. Advanced Materials	III.3. Secure, Clean and Efficient Energy
	II.1.4. Advanced Manufacturing and Processing	III.4. Smart, Green and Integrated Transport
I.3. Marie Skłodowska-Curie Actions (MSCA)	II.1.5. Biotechnology	III.5. Climate Action, Environment, Resource Efficiency and Raw Material
	II.1.6. Space	III.6. European in a Changing World - Inclusive, Innovative and Reflective Societies
I.4. Research Infrastructures	II.2. Access to risk finance	III.7. Secure Societies - Protecting Freedom and Security of Europe and its Citizens
	II.3. Innovation in SMEs	

## EIRS Contracts and Grants

### Types of main contracts

- Confidentiality Agreement, Non-Disclosure-Agreement (NDA)
- Letter of Intent (LoI), Memorandum of Understanding (MoU)
- Grant Agreement (GA)
- Consortium Agreement (CA)
- Subcontract (SC)
- further EU and international research funding contracts

## **EIRS Researcher Mobility and EURAXESS**

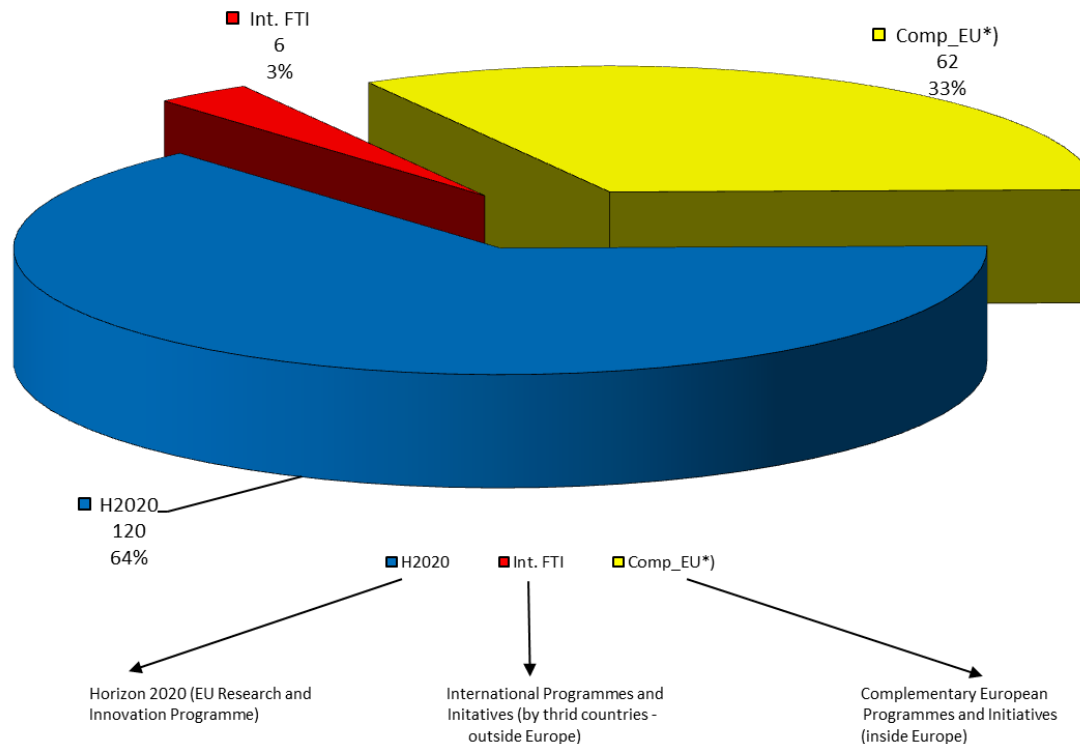

- Marie Skłodowska-Curie Actions
  - MSCA IF Individual Fellowships
  - MSCA ITN Innovative Training Networks
  
- European Research Council ERC Grants
  - ERC Starting Grant
  - ERC Consolidator Grant
  - ERC Advanced Grant
  
- EURAXESS – Researchers in Motion
  - Research funding
  - Research job opportunities
  - Career Development

# EU Research funding (2014 – 2020)

## 188 EU & INT Research Projects TUW 2014-2020

TUW Costs : € 64.950.411,-- Total- Contribution TUW )\*: € 63.081.069,--

\*) Comp-EU: EU & national  
 H2020: EU & national  
 Int.FTI: International
